2022 HIGHLIGHTS

The Gift of Warmth

The Eagle Pass Detention Facility (EPDF) started a collection of socks and blankets that would be donated to the City of Eagle Pass Library Elderly Crafting Group. The goal was 20 blankets which every elder in the craft group was gifted a blanket during the week of Thanksgiving. After seeing that we had 20 additional remaining blankets, we sought out another elder center hoping we could bring the same joy to them as we did for the library elder group. EPDF reached out to the Willow Creek Adult Daycare and agreed to donate a blanket to every elder participant in their program. In just a short time, 80 additional blankets were collected and delivered to the Willow Creek Adult Daycare.

Spanish Heritage Month at Western Regional Detention Facility

The Western Regional Detention Facility (WRDF) Library kicked off a collaboration with the San Diego Mexican Consulate to enhance the leisure library's collection of Spanish materials and recently received two donations of over 200 books.

El Centro Detention Facility Brings Holiday Joy to Local Kids!

The El Centro Detention Facility (ECDF) staff worked together and with everyone's support, participation and generosity were able to assist our local Salvation Army by participating in an Angel Tree program. The Angel Tree program provides Christmas gifts to local underprivileged children who shared a wish list with ECDF staff. The toys were passed out to the kids a few days before the holiday to ensure they had a magical Christmas day! A big thanks to all staff who came together to ensure over 125 children received a Christmas gift.

Pine Prairie ICE Processing Center Donates to Local Food Pantry

Pine Prairie ICE Processing Center employees generously donated 90 lbs of food to FoodNet for Families Food Drive. St. Peter's maintains a food pantry, "The Lords Pantry", for those individuals in need in the community; therefore our donations are distributed locally. They accept non-perishable food items, toiletries, paper goods and cleaning supplies. Currently they assist approximately 30 families per month. In addition to the food donations by employees, GEO made a \$1,000 monetary donation.
